

Sample Abstract

Jane Doe has taken her unique program and made it a reality for crime victims in Nowhere County and in other parts of the U.S. She has paved the way for her nontraditional agency to expand across the nation. Her innovative program involves teams of advocates.

Jane has made a huge impact in this community and other areas of the country. Jane works primarily in the field of sex crimes and with young victims, but her method is now being used for victims of different crimes and ages. It has brought about a positive change of attitude in the system, as well as in the victims.

Jane's dedication to victim advocacy has brought about much needed reforms to the system. We see positive changes from the beginning to the end of the legal process due to Jane's sheer determination. We are witnesses to the benefits victims receive as a result of their association with the "advocate teams." Jane's hard work has succeeded in improving the criminal justice process for the victims!
